## About Us

Our **MISSION** is to cultivate a community of young voices by providing a platform to share ideas & collaborate on projects to make the world a better place.

## Why?

Our **ASPIRATION** is to empower them to take the lead and work towards building a better future for themselves, their families, communities and beyond.

# NGFP- Young Voices Award

**To apply, applicants are asked to:**

**ESSAY**

**VIDEO**

**UN SDG**

## To apply, applicants are asked to:

Write a short essay (maximum 400 words) on how a current project or an intended project will consider the well-being of others and the future of the planet. Submissions can be in native language but please include English translation.

Create and submit a short video (maximum 2m 30s) about what they would want to do with the Young Voices prize. The Video is a pitch addressed to their community persuading them that this project or idea is good or even necessary and giving them reasons for supporting or joining it. Video can be in your native language but please include English subtitles. Please create new and original video and do not upload a news clipping or old video.

Indicate which of Sustainable Development Goals (SDGs) their idea would contribute to.

# SUSTAINABLE DEVELOPMENT GOALS

## Awards

The **first-place winner** will receive a **USD \$1000 prize** to help realize their future-focused project and catapult their idea into action.

**Three** others will each receive a **USD \$500 prize**.

**Six** top finalist will be honorably mentioned and recognized

**Seventeen** will be recognized for each **UN Sustainable Development Goal**.

## Deadline to Apply: **June 30th, 2024**

We know that young people are doing great things to create a better future - and we would like to hear about them. Individual, partner and group project submissions are welcomed 12-17 years of age. We see this as the start of a conversation so we can learn, listen, and support them as they start or continue their foresight journey.
